Looking their Best all the Time is the Chief Business of the Blue Grass Belles.

**The Secret of Their Beauty**

It is health, robust health, that is responsible for the Kentucky girl's good looks. If she gets sick, she proceeds to get well. Possessed of health, she knows that personal charm and attractiveness need not worry. They are hers. That is the secret.

The story of Mrs. Hattie Hamilton, 317 Myrtle Avenue, Latonia, Kentucky, is typical. She says: "I have never in all my life, until recently, weighed over 100 pounds. Finally, I began to take Peruna. My weight now is 120. While I didn't really need it, I have started on the third bottle. Peruna has certainly done me a great deal of good and I recommend it to my friends. Several are taking it."

It is surprising the amount of dependence placed by women everywhere upon Dr. Hartman's World Famous Peruna. For forty-five years it has been a household remedy for coughs, colds, catarrh and all catarrhal inflammation whether

side for much kidney trouble. If your back aches and the kidneys seem weak, rest up and use Doan's Kidney Pills.

Z. E. Bossa, farmer, St. Vrain, N. Mex., says: "I put my back out of shape by doing too much bending over. My kidneys were in bad shape at times and the kidney secretions were unnatural and caused annoyance. When I tried to bend over, sharp pains shot up and down my back and specks floated before my eyes, blurring my sight. I became dizzy and was in bad shape until I began using Doan's Kidney Pills. This medicine soon fixed me up in good shape and cured me of the trouble."

## MILK IN WINTER

Why do your cows give less milk in winter than they do in summer? Just because nature does not supply them with grasses and green food. But we have come to the assistance of Dame Nature with B. A. Thomas' Stock Remedy which contains the very ingredients that the green feed supplies in season, only, of course, in a more highly concentrated form. We guarantee that this remedy will make your cows give more milk, and better milk,

with the same feed. For sale by A. B. Austin & Son.

## TAKE 'EM ALL

"At the beginning of the war Germany in its relations with Turkey and Austria was very much like an African king I once heard of," declared a Y. M. C. A. speaker.

"This king had taken a great fancy to a missionary and, wishing to please him and make him stand between him and the white governments who were inclined to punish him for certain atrocities, brought before him the 500 most lovely maidens in his kingdom."

"They are the loveliest flowers of my land," said the monarch, "pick one from among them for your wife."

"The missionary, who already had a wife at home, was greatly embarrassed, but not wishing to hurt the feelings of his host, much less offend him, replied diplomatically:

"You honor me, but I dare not choose lest the other 499 grow jealous."

"That's easily fixed," replied the monarch; "take them all!"
